

Peninsula Wilderness Club Officers and Staff (Past and Present)

This record of the PWC Elected and Appointed Leadership Team was put together by the PWC Historian in 2018. It was assembled based on archived newsletters and other documents available at the time. If you have any information to improve this file, please contact the PWC historian. Thanks!

This record attempts to capture the PWC leadership team as of November or December of each year (which coincides with the first meeting after our annual elections.) Some positions changed between elections – where this occurred, the changes are show in *blue italics*.
