Flight of the Osprey

Monday, November 13, 7 pm Presented by: Kurt & PL Mondloch

After raising their son and daughter, Kurt and PL Mondloch decide to circumnavigate the world aboard their sloop, the *Osprey*. As they prepare for their voyage in San Francisco, they receive a disturbing message. Their son, on a backpacking expedition to India, has gone missing.

Kurt flies to the Indian Himalayas to try to find him, sparking a major international investigation and dragging the family into a world they never imagined. Eventually, an overseas phone call destroys the couple's fragile cocoon of hope—their son and his girlfriend were swept away by a monsoon-swollen river.

Reeling from the death of their son, Kurt and PL must make a choice: either to mourn endlessly or move on with life.

The couple decides to sail around the world as a balm for their spirits and as a tribute to their late son. Over the course of almost seven years and an incredible journey of 40,000 miles, their phenomenal memories and fresh horizons help extinguish the pain and recharge their lives.

Kurt and PL will be sharing the story of their trip around the world at the November General Meeting. If you would like to know more about their story, check out the website for Kurt's book, <u>Flight of the Osprey</u>, at www.flightoftheosprey.com

Outings

A Word About Outings

All PWC outings and other activities are open to anyone, but if you enjoy our company and what we do, we would like you to become a member. The persons sponsoring trips should not be considered instructors or leaders. If you are unsure of your abilities, discuss the trip thoroughly with the organizer. Each participant is responsible for his or her own comfort and safety on any outing. Always carry the 10 essentials.

Pet Policy

Please leave pets at home when attending PWC outings unless the trip is specifically listed as welcoming them.

Please Call Early

As a courtesy to the sponsor of an outing in which you are interested, please try to call at least two days before the trip for single-day outings, and as soon as possible for overnight outings. This allows the sponsor time to make necessary arrangements, or alternate plans should a trip be canceled for some reason. Your consideration will be greatly appreciated.

MTTA Annual Fall Gala at Seattle REI

Saturday, November 4, 2-6 pm Contact: Erin Hennings, 360-621-6961

Mount Tahoma Trails Association has North America's largest no-fee, hut-to-hut trail system. MTTA begins accepting reservations for the winter season at the Gala, and by the end of the afternoon, nearly all the weekend reservations are taken. Last year, the PWC was able to reserve three weekends in the huts, thanks to PWC members who attended the Gala. If you are interested in skiing or snowshoeing the MTTA trails this winter, join us for the Gala at the Seattle REI. Attendees get first picks on the weekends the PWC reserves. For more information, see the enclosed flyer, or go to http://www.skimtta.com/

Rock Climb at Cushman Cliffs

Saturday, November 4 Contact: Tom Campbell, 360-297-0031, tomrcampbell@gmail.com

Wet weather or forest fire will change our objective to a hike to Ellinor towers to scout the climbs there.

Tunnel Creek Hike

Sunday, November 5

Contact: Chris Warmedahl, 360-895-7719

This is a moderately strenuous hike just under 9 miles round trip, elevation gain about 2550 feet. The trail ascends through a beautiful old growth hemlock and silver fir forest, following the creek. Beyond the Tunnel Creek Shelter, the trail steepens, passes two lakes and climbs to 5050 Pass. If the weather is good, we will continue up to a ridge with excellent views of Mt. Constance and other peaks.

Hike Kelly Butte

Sunday, November 5

Contact: Kevin Koski, 360-373-7429

I understand that this is about the last piece of land south of Snoqualmie Pass that has not been clear-cut. The Green Trails map shows a way trail, but I understand that the start of the trail is hard to locate, so there may be a little bushwhacking at the start, or possibly the whole day. So, if you are interested in exploring an infrequently hiked area, feel free to join me. The trip will probably be 10 miles round trip with 3500 feet of elevation gain.

Snowshoe or Cross-Country Ski at Paradise

Saturday, November 25

Contact: Barney Bernhard, 360-479-3679

With the anticipation of snowfall in the mountains, make plans to experience this first snowshoe and cross-country ski trip of the season to Mt. Rainier.

Winterfest at Stevens Pass

Friday, February 16 - Monday, February 19, 2007 Contact: Tom Rogers, 360-692-2547

Join us for downhill skiing, cross-country skiing and snowshoeing at Stevens Pass. We'll stay at the Mountaineers' Lodge, where you can ski directly from the cabin to the lift line!

A training session is scheduled for Saturday, November 11, in Ashford, WA. For more information, see the enclosed flyer, or go to http://www.skimtta.com/

PWC

The Peninsula Wilderness Club is an informal organization for persons interested in active outdoor pursuits. Main activities include hiking, backpacking, mountain climbing, rock climbing, and skiing. All outings, from casual hikes to technical mountain sports, are initiated by individual members. These members are volunteers who generously offer to make minimal arrangements so an outing can take place. They do not accept responsibility for the safety or care of any participant. The PWC does not conduct instructional programs and members are expected to have whatever clothing, equipment, skills, and physical conditioning are appropriate for the outing they wish to join. Members are expected to practice responsible environmental stewardship and must accept that there are dangers and a risk of injury in most outdoor activities.
