Peninsula Wilderness Club

Peninsula

The Peninsula Wilderness Club meets on the first Wednesday of every month at 7 pm at the VFW Hall at 9981 Central Valley Rd, Bremerton, WA. The public is cordially invited.

Andrew has been a member of, and foray leader for, KPMS since 2007, and learning about and hunting mushrooms for over 20 years.

KPMS is a non-profit organization of folks interested in the fascinating world of mycology. Its purpose is to study, collect and identify fungi. The strive to educate their members and local community in proper fungi identification.

**September Presentation:**  
**Mushrooms of Puget Sound – An exploration**  
**of local fungi and their importance in our**  
**ecosystem.**

**Presented by Andrew MacMillen**  
**Kitsap Peninsula Mycological Society (KPMS)**  
**Wednesday September 3rd at 7pm**

This program will introduce you to the world of our regional mushrooms, their niche in our environment, facts and myths, types of fungi, and how they grow. The program closes with information on some local species, how and where they grow, and their uses.

**Important Announcement:** It's that time of year again! Our bylaws require that we [nominate candidates in September](#) for our annual club officer elections at the October meeting. The PWC has been alive and well since the 1970's, but it takes volunteers to keep the club running. Please do your part and help by running for office, volunteering for an appointed position, sponsoring trips, and/or volunteering for hosting MAP meetings or Potlucks. The more people who volunteer, the less work it is for each volunteer!

**We will be looking for nominations for all club officer positions: President, Vice President, Secretary, Treasurer, and three board members at large.**

# Outings

---

## A Word About Outings

All PWC outings and other activities are open to anyone, but if you enjoy our company and what we do, we would like you to become a member. The persons sponsoring trips should not be considered instructors or leaders. If you are unsure of your abilities, discuss the trip thoroughly with the organizer. Each participant is responsible for his or her own comfort and safety on any outing. Always carry the 10 essentials.

## Please Call Early

As a courtesy to the sponsor of an outing you are joining, please try to call at least two days in advance for single-day outings, and as soon as possible for overnight outings. This allows the sponsor time to make arrangements, or alternate plans, should a trip be canceled for some reason.

## Pet Policy

Please leave pets at home when attending PWC outings unless the trip is specifically listed as welcoming them.

## Carpool and Ride Sharing

We strongly encourage carpooling and ride sharing as a way to reduce impact to trailheads, minimize our environmental footprint, and reduce costs. Please be considerate to your drivers, including situations when you ride with different drivers in each direction. The amount you contribute to your driver(s) should reflect the distance driven, the cost of gas, and tolls/parking fees – short trips might be \$5 per person, long trips could be considerably more.

## Outings

---

We liked hiking Umtanum Canyon so much last year, that we are doing it again this year. This time with car camping at the Umtanum Campground in the Yakima River Canyon.

All the hiking guides talk about hiking Umtanum in the spring. While spring hiking is pretty good here, the real secret is hiking it in the fall. The canyon is full of aspen and cottonwoods that turn a brilliant yellow in Autumn. It's truly a great time of year to visit the canyon. Come join us!

Jay plans on leaving Silverdale at 6am and camping that night at the campground. Steve Osburn plans to camp there on both Friday and Saturday nights. The campground is first come first serve, so get there early or plan to share sites.

### Other Outings *(General information describing trips and events that recur over multiple weeks)*

#### Recurring (Weekly) after-work Green Mountain Hike

Thursdays: September 4, 11, 18 and 25 at 6:10 pm  
Contact: Doug Savage at 360-981-9333, or  
email: [thehiker@comcast.net](mailto:thehiker@comcast.net)

Weekly, Thursday, after-work Green Mountain hikes start April 24th and continue throughout the summer and into fall. Be at the Gold Creek trailhead at 6:10 pm and be prepared to hike by 6:15. Bring headlamps in early spring and late fall as a precaution. Hikes will occur every week, rain or shine.

These hikes have been very popular and are a great opportunity to meet hikers of all abilities from the PWC, Kitsap Outdoors Meetup and the Kitsap Hikers Group on Facebook. We have had as few as 3 and as many as 45 hikers on past events. All are welcome to attend and share a snack at the summit (bring an interesting snack, and BYOB). We welcome hikers with dogs on this hike, but ask that you try to keep them away from the picnic table at the summit while we are sharing food with one another.

A good place to rideshare from is the parking area at the Wildcat Lake County Park (not to be confused with Wildcat Trailhead) as a park-n-ride. It's free to park there. A Discover Pass is required at the Gold Creek trailhead.

The trip sponsor will try to make it to every hike, but please be prepared in the event that the sponsor cannot make it. If the trip sponsor can't be there, it will be announced on the Kitsap Hikers Facebook page sometime before the hike. The hikes typically proceed even without a sponsor, but a dedicated host should be there each week.

To see images from previous hikes, see the club website or the Kitsap Hiker's Facebook page. The PWC Website also has a detailed description of the Gold Creek Trail, including driving directions to the trailhead, in their Field Guide.

#### Climbing Gym Practice / Social

Tuesdays & Thursdays: September 2, 4, 9, 11 and 16 at 5:45 pm

Contact: Barbra Haskell at 360-981-3077, or  
email: [b1haskell@earthlink.net](mailto:b1haskell@earthlink.net)

Join PWC rock climbers Barbra Haskell (360-981-3077), John Howard (360-516-0222), and Doug Terry (360-550-7911) Tuesdays and Thursdays at the Bainbridge Island Rock Gym at 5:45 pm. It is located just off the main highway about halfway between the Agate Pass Bridge and the Bainbridge Island ferry terminal.

Rock climbing practice can give you a serious upper body workout, improve balance, and help you connect with other like-minded PWCers and Kitsap Outdoors climbers. Social get-together planned after workouts.

Don't know how to climb or you don't have the equipment? An "Intro to Indoor Climbing" class is available to help you gain equipment skills, learn to belay, and learn lead climbing techniques. See the PWC Website calendar for more details on this class, including costs. The climbing gym is located at:  
Island Rock Gym  
9437 Coppertop Loop NE, Bainbridge Island, WA  
(206) 451-4020

### Into the Future *(Trips that require group planning or reservations by each attendee)*

#### North Rim of the Grand Canyon

October 9 to 17, 2014

Contact David Boyde at 360-692-9325, or  
email: [theboyde@aol.com](mailto:theboyde@aol.com)

This trip goes from Oct 9 through Oct 17, not including transportation to/from the canyon. The hike will be a nine-day, eight-night backpack in the Grand Canyon in all-new territory. We will be leaving from the North Rim at the Swamp Point Trailhead. This is an in-and-out trip on the North Bass Trail. We will camp at the trailhead on the 9th, and start into the canyon on the 10th. We will use our camp at Shinumo Creek as a base for several days of day hiking and exploring the Colorado River, Hotauta Amphitheater, and several other side canyons. On the way back up we will take two days, and will explore several small side canyons along the way. We will camp at Swamp Point again on the 15th and then do an overnight dry camp on the Powell Plateau, returning to Swamp Point on the 17th. David has a large group permit for up to 11 people, and as of this writing, has several openings.

**More details on the above trip(s) are available on the PWC Website calendar.**

However, to really get to know us – come to a potluck or go on a hike – meetings are not the best way to get to know people!

Thanks to everyone who brings snacks to meetings! Contact Doug Savage at 360-981-9333 or [thehiker@comcast.net](mailto:thehiker@comcast.net) if you would like to help bring snacks to the next meeting.

## **Join or Renew Membership**

**PWC**

The Peninsula Wilderness Club is an informal organization for people interested in active outdoor pursuits. Main activities include hiking, backpacking, mountain climbing, rock climbing, skiing, kayaking, and bicycle riding. All outings, from casual hikes to technical mountain sports, are initiated by individual members who volunteer to make minimal arrangements so an outing can take place. They do not accept responsibility for the safety, training or care of any participant, and members are expected to have whatever clothing, equipment, skills, and physical conditioning are appropriate for the outing they wish to join. Members are expected to practice responsible environmental stewardship and must accept that there are dangers and a risk of injury in most outdoor activities.

Dues are \$25 per household per year. Send a check or money order to:
