About PWC Activities and Outings:

- PWC outings and other activities are open to everyone. If you enjoy our club and what we do, please become a member! For \$25 a year, your membership helps pay the bills and keeps the club moving forward.
- As a courtesy to the sponsor of the outing you are joining, please call with cancellations or requests at least two days in advance for single-day outings, and as soon as possible for overnight outings. This allows the sponsor time to make alternate plans should a trip need to be canceled or changed for any reason.
- Please leave pets at home unless the trip is specifically listed as welcoming them.
- **Carpool and Ride Sharing.** We strongly encourage carpooling and ridesharing to reduce impact to trailheads, minimize our environmental footprint, and reduce costs. Please be considerate of your drivers, including situations when you ride with different drivers in each direction. The amount you contribute to your driver should reflect the distance driven, the cost of gas, tolls, and parking fees.
- **Safety First!** For liability reasons, trip sponsors should not be considered instructors or leaders. If you are unsure of your ability to participate in an activity, discuss the trip thoroughly with the sponsor, but the responsibility for your safety is yours. Each participant is responsible for their own comfort, safety and route finding. **Always carry the 10 essentials!**

It has been an honor to be your newsletter editor for the last year. Thanks for putting up with my dad jokes. I'll leave you with one last nugget.

What did the buffalo say to his son at school drop-off?

Bison.

The Peninsula Wilderness Club (PWC) is an organization for people interested in active outdoor pursuits. Main activities include hiking, backpacking, mountain climbing, rock climbing, skiing, snowshoeing, kayaking, and bicycle riding. All outings - from casual hikes to technical mountain sports - are initiated by individual members who volunteer to make minimal arrangements so an outing can take place. They do not accept responsibility for the safety, training or care of any participant, and members are expected to have whatever clothing, equipment, skills, and physical conditioning are appropriate for the outing they wish to join. Members practice responsible environmental stewardship and accept that there are dangers and a risk of injury in most outdoor activities.

Dues are \$25 per household per year. Bring dues to a PWC General meeting, or send a check or money order to:
