

THE PENINSULA WILDERNESS CLUB MEETS THE SECOND MONDAY OF EVERY MONTH AT 7:30PM AT THE KITSAP UNITARIAN FELLOWSHIP CHURCH ON PERRY AVENUE IN EAST BREMERTON.

### ANNUAL MEMBERSHIPS COMING DUE

For, many of us, our \$12 annual membership dues is coming due this month. If you are not certain, check your Month/Year notice on the mailing label. "12/87" means your membership was definitely due this December 1987. Apparently some of you either signed up later in the year or, as a demonstration of your faith in our institution, paid up for two years. If the due date on your label is not correct; and we have received one letter pointing this out already, contact Kevin Kilbridge. For those of us desiring to renew the membership so that we can continue to meet and enjoy interesting programs, please complete the attached form so that we will be current on who you are and where you currently hide out.

MAKE CHECKS PAYABLE TO: PENINSULA WILDERNESS CLUB. MAIL  
TO: PENINSULA WILDERNESS CLUB, P.O. BOX 323  
BREMERTON, WA 98310-9998

Please find enclosed \$12 for 1988 Single/Family membership.

Greetings

JANUARY 1988

-TIME DATED MATERIAL-

MONTHLY MEETING 7:30 PM MONDAY 11 JAN 1988 GENUIT ON FEET

Don't laugh. For an outdoorsman in trouble, the feet may be his most valuable resource. During our January meeting, Dr. David Genuit will return for a presentation on the care of feet. Dr. Genuit has worked with the national association for Search and Rescue, run a sports medicine clinic, published articles and is himself a backpacker, familiar with mountaineering.

ACTIVITY QUESTIONNAIRE: Enclosed with this month's newsletter is a questionnaire which will help the club evaluate the desires of the club members for planning activities. The information will probably be used to generate a club activity or interest roster. Please complete it and either bring it to the January meeting or mail it to the club's mailbox.

CROSS COUNTRY SKI TRIP SATURDAY 30 JANUARY 1988: Doug Savage and Ann Adamski are planning a cross country ski trip for the Cabin Creek Road area at Snoqualmie Pass. The route will follow forest service road 4823. They will be going as far as the Yakima River and then returning by the same route. The round trip will be about ten miles but you can turn back earlier if you like. Skiing level is for beginners and up. Drivers will require a sno-park permits which may be obtained at Mt. Constance. For further information, contact Doug or Ann at 692-5933.

CROSS COUNTRY TRIP TO LEAVENWORTH (AKA Bavaria West) 26-27-28 FEBRUARY: Alice Savage is getting a group together for a Saturday and Sunday ski jaunt in the Leavenworth area. If you are interested, you need to get your reservation together immediately by calling 1-800-327-7212. For further information, call Alice Savage at 638-2597.

THE LADDS GO ADVENTURING: For those who have not heard, David and Sue Ladd are off to Kenya to climb Mt. Kilimanjaro and to see the famous snows up there. We will all be looking forward to a report on their adventure when they get back. Ellen Fitz will be helping out with the newsletter in their absence.

ANNUAL IGLOO BUILDING FESTIVAL PARADISE 5-6 MARCH: Ted Wyles wanted to be sure to let everyone know that the club's Igloo Building Festival is scheduled for March this year. He wants all of you to start making your plans to come early. There will be more about it, in poetic verse in next month's newsletter.

CROSS COUNTRY SKIING CLASSES: Dale Boyle of the Penstemon Guide Service will be offering cross country skiing classes during January and February. He is offering special discounts for both classes and rental equipment for club members. Call Dale at 377-9042 for more information on costs.

NEW NEWSLETTER EDITOR SOUGHT

I have advised Larry Thomas that it is my present intention to turn over my responsibilities for the NewsLetter to others sometime in the next six months, probably in June. I have certainly enjoyed working on it over the past three years but I am thinking that the time is approaching when a new person with fresh ideas and a different perspective needs to take over.
