## June 2001

### *Monday Meeting*

### *June 11th*

### **Evergreen Park**

Our taste buds need you! The meeting will feature a **cooking contest** in place of a guest speaker. The competition is open to all club members, so dust off your cook stoves and barbecues and wow us with your camp cuisine. Those not competing can graze, collect recipes, and cheer on the cooks.

Our guest judges are Ann Marshall, Seabury Blair, and Tom Weiner, Chef at the Ajax Café. We thank them for their time and taste buds. Because judging will begin at 7:45 p.m., club business will be kept short. Aspiring contestants can set up at the park's picnic shelter as early as 5 p.m. For ease of judging, please note on a card your name, the recipe's name, ingredients, number of pots and pans used, and weight of foodstuff. Also please bring copies of your recipe(s), so that we may all recreate your taste sensation on camping trips! Cash prizes of 25, 20, 15, and 10 dollars will be awarded in each of four categories.

Enter as many dishes as you like in the following categories:

1) Breakfast 2) Lunch & Snacks 3) Dinner 4) Car Camping

Entries will be judged on ...1) *taste* 2) *nutritional value* 3) *ease of prep* 4) *ease of cleanup* 5) *weight efficiency (except Car Camping)*

### **Quote of the Month**

"Mountains should be climbed with as little effort as possible and without desire. The reality of your own nature should determine the speed. If you become restless, speed up. If you become winded, slow down. You climb the mountain in an equilibrium between restlessness and exhaustion. Then, when you're no longer thinking ahead, each footstep isn't just a means to an end but a unique event in itself. This leaf has jagged edges. This rock looks loose. From this place the snow is less visible, even though closer. These are the things you should notice anyway. To live only for some future goal is shallow."

## ***Ron Writes...About Helping***

Why do people join clubs? No one needs a club to go hiking, backpacking, rock climbing, mountaineering, skiing, snow shoeing, bicycling, etc. These things can be done alone or with a few personal friends, and many of us prefer to do them that way. Most of these activities are ideal for the solitude seeker. Probably the most common reason people join a club is to expand their circle of contacts in order to meet and associate with others who share their interests. In other words, to fulfill social needs while pursuing their outdoor activities. Even then, different people seek different levels of involvement as a member of a club. Some just like to have an affiliation that allows them to get together socially with like-minded souls, with no particular need or desire for anything more than that. Others, more restless, want some kind of active involvement. Either preference is fine, and PWC welcomes both equally. For those who do like to get actively involved, the club offers numerous possibilities. These are a few of the things that get done by members who volunteer a little time each month to keep things running for everyone's enjoyment. Phone or e-mail one of the contacts listed if you want to help. You will be greatly appreciated.

**Newsletter folding**—Each month the newsletter needs to be prepared for mailing. The work is done by volunteer members in a social atmosphere. Call Doug Savage at 360-698-9774 or Joyce Kimmel at 360-876-1497 for information.

**Host an Interested Members Meeting**—This meeting is held once a month for the purpose of planning outings and discussing club business. Usually about 8–15 members attend. The host provides light refreshments. Call club secretary Kathy Weigel at 360-871-0291 to sign up as a host.

**Host a potluck**—Club members meet monthly for relaxed socializing and good food. Everyone brings a favorite dish. It's a great way to meet new friends, share stories, and get to know fellow members better. Call club secretary Kathy Weigel at 360-871-0291 to sign up as a host.

**Bring refreshments**—Ever wonder where those cookies and brownies come from at the Monday general meeting? They're provided through the generosity of fellow members. Home baked or store bought goodies are both welcome. Call Laura Croft at 360-779-6250 to volunteer an offering.

**Set up and cleanup**—Volunteers help set up and cleanup the meeting room for each monthly meeting and provide the same service for other club events. It takes only 15–20 minutes of each person's time with enough people helping. There is a sign up sheet at each club meeting, or call Laura Croft at 360-779-6250 to volunteer.

**Sponsor an outing**—The reason most people join the club is to participate in outdoor activities. These activities can only happen if members volunteer to be contact persons and invite others to join them in something they would like to do themselves. Send your name, contact information, and outing description to [penwicle@hotmail.com](mailto:penwicle@hotmail.com) or list it on the white board at the monthly general meeting.

Walk softly in the wilderness and have fun!

In friendship,

*Ron Croft, President*
