PWC Annual Picnic
Monday, July 9, 6:30 pm

Location: Raab Park,
18349 Caldart Avenue NE, Poulsbo

The Annual PWC Picnic takes the place of the July General Meeting and will be held at Raab Park in Poulsbo. Burgers, salmon burgers, veggie burgers, hot dogs, buns, condiments, tossed green salad, potato salad, pasta salad, cake and place settings will be provided. If you would like to bring other

food items to share (i.e., chips, veggies & dip, fruit, desserts, etc.), that would be great. Bring your own beverages (alcohol is permitted). Water and cups will be available, but members are encouraged to bring their own reusable cups or bottles to minimize the amount of trash generated. Activities will include the popular Tall Tales Contest and some games. There will be a door prize as well as contest prizes! Also feel free to bring your own yard games (Frisbee, croquet, volleyball, etc.) to share.

PWC Picnic volunteers are still needed! We are still looking for volunteers to help make the PWC Annual Picnic successful and enjoyable for all. Some of the items that need to be done are: purchasing the food, planning and setup of an obstacle course event, grill and table setup, grill chefs, and cleanup afterwards. Please contact Tom Broszeit or Brian Steely if you can help:

Outings

A Word About Outings

All PWC outings and other activities are open to anyone, but if you enjoy our company and what we do, we would like you to become a member. The persons sponsoring trips should not be considered instructors or leaders. If you are unsure of your abilities, discuss the trip thoroughly with the organizer. Each participant is responsible for his or her own comfort and safety on any outing. Always carry the 10 essentials.

Please Call Early

As a courtesy to the sponsor of an outing in which you are interested, please try to call at least two days before the trip for single-day outings, and as soon as possible for overnight outings. This allows the sponsor time to make necessary arrangements, or alternate plans, should a trip be canceled for some reason.

Pet Policy

Please leave pets at home when attending PWC outings unless the trip is specifically listed as welcoming them.

Carpool and Ride Sharing

We strongly encourage carpooling and ride sharing as a way to reduce impact to trailheads, minimize our environmental footprint, and reduce costs. Please be considerate to your drivers, including situations when you ride with different drivers in each direction. The amount you contribute to your driver(s) should reflect the distance driven, the cost of gas, and tolls/parking fees – short trips might be \$5 per person, long trips could be considerably more.

The WEBSITE: A Source for Outings

Our PWC Website calendar is at:

<http://www.pwckitsap.org/content/117-pwc-calendar.html>

If you don't see something that interests you in this newsletter, check the website for additional trips and last-minute trips. Or, if you are leading an outing that was planned after the deadline, use the website to post the information. This can now be done in THREE ways: You can fill out the form online; you can email or call the info directly to the Webmaster, Jay Thompson, at pwcadmin@pwckitsap.org or 360-307-0037; or you can email or call Paul Dutky at pdutky@gmail.com or 360-479-2683 to get the outing listed on the PWC Calendar online.

Dee Molenaar's Alpine Art on display

Friday, Jul 6 at 5 pm

Contact: Collective Visions Gallery in Bremerton

Website: <http://www.collectivevisions.com/>

During July, Dee Molenaar will enjoy the featured spot at the Collective Visions Gallery in Bremerton. Dee's art will include originals and laser prints covering his areas of travel among the mountains of the world. In 1971, The Mountaineers Books published his book, THE CHALLENGE OF RAINIER, and in 2011 released a special 40th Anniversary edition, which will be available for signing and sales during the reception.

Molenaar was born in 1918 to Dutch immigrant parents in Los Angeles. He and his younger brother Cornelius ("K") initially explored the mountains, deserts and seashores of Southern California. They then extended their travels to the ice-clad volcanoes of the Pacific Northwest, where they served as guides and park rangers at Mount Rainier National Park. In 1946, the brothers were members of the successful Alaskan Mt. St. Elias Expedition, and in 1953, Dee was a member of the famed, tragedy-marred American Expedition to K2 in the Karakoram Himalaya.

A graduate of the UW in 1950 with a major in Geology and a minor in Art, Dee served with Phillips Petroleum Company's Exploration Division in Alaska, Colorado and Utah, then with

Outings

the Washington Dept. of Conservation in Olympia and U.S. Geological Survey in Tacoma. In 1967, Dee and his wife Colleen moved to southern Kitsap County with their daughter and two sons.

The reception will be held from 5 to 8 pm on Friday, July 6. The public is invited and light refreshments will be served. Collective Visions Gallery is located at: 331 Pacific Avenue Bremerton, WA 98337

SunshineTrip: Car Camping Sun Lakes/Dry Falls

Monday, Jul 16-22

Contact: Bob Waldorf at 360-830-6868, or email: robwaldorf@comcast.net

Join Bob on this car camping trip to Sun Lakes / Dry Falls State Park in central Washington. It has excellent hiking, kayaking, fishing, swimming, bicycling, photography, etc.

The park is over 4,000 acres in size with 73,640 feet of freshwater shoreline at the foot of Dry Falls. Dry Falls is one of the great geological wonders of North America. Carved by Ice Age floods that long ago disappeared, the former waterfall is now a stark cliff, 400 feet high and 3.5 miles wide. In its heyday, the waterfall was four times the size of Niagara Falls. Today it overlooks a desert oasis filled with lakes and abundant wildlife.

Your reservation should be made well in advance to claim the campsite of your choice. I have reserved campsite 84 in the upper campground.

Go to: <https://secure.camis.com/WA/> to see a map of the campsites and to make your reservation. For more information on the area:

EXTREME DAY HIKE

Friday, Aug 3-4

Contact: David Boyde at 360-692-9325, or email: theboyde@aol.com

Dayhike the 45-mile long Low Divide Trail from Lake Quinalt to Lake Mills (or vice versa). We will leave for the trailhead(s) sometime Friday afternoon or evening, and then hike until we get to the other end. Due to transportation issues, it will be much easier to have two groups – a south-north, and a north-south group. This will enable a key swap mid-route. Contact David for more info.

Other Outings *(General information describing trips and events that recur over multiple weeks)*

Recurring (Weekly) after-work Green Mountain Hike

Wednesdays, 7/4, 7/11, 7/18, 7/25, 8/1 at 6:10 pm
Contact: Jay Thompson at 360-509-9918, or
email: jaythom1@hotmail.com

Weekly Wednesday after-work Green Mountain hikes will begin starting May 9th and continue throughout the summer and into fall. Be at the Gold Creek trailhead at 6:05 pm and be prepared to hike by 6:10. Bring headlamps in early spring and late fall as a precaution. Hikes will occur every Wednesday evening, rain or shine.

These hikes have been very popular and are a great opportunity to meet hikers of all abilities from the Peninsula Wilderness Club, Kitsap Outdoors Meetup and the Kitsap Hikers Group on Facebook. We have had as few as 3 and as many as 22 hikers on past events. All are welcome to attend and share a snack or two at the summit.

A good place to rideshare from is the parking area at the Wildcat Lake County Park (not to be confused with Wildcat Trailhead) as a park-n-ride. It's free to park there. A Discover Pass is required at the Gold Creek trailhead.

To see images from last year's hikes, see the club website. The PWC website also has a detailed description of the Gold Creek Trail, including driving directions to the trailhead in their Field Guide.

Recurring (2x weekly) Road Bike Rides with Tom Leurquin

Sundays & Thursdays, 7/1, 7/5, 7/8, 7/12, 7/15, 7/19, 7/22, 7/26, 7/29, and 8/2
Contact: Tom Leurquin at 206-842-5906, or
email: TRLBI@yahoo.com

Tom will be two-wheeling on Thursdays and Sundays. The ride location, length, and pace will be oriented towards the group. Many of the rides will be on Bainbridge Island, and will be about 20 miles with 1500' elevation gain and greater.

The Sunday rides may be anywhere, such as Bainbridge Island, Olympic Discovery Trail, Burke Gilman Trail, Vancouver Island, or elsewhere.

Start time will generally be 10 am.
Starting location will change by week.

Check the PWC Website calendar or call Tom for the specifics of that day's ride.

Into the Future *(Trips that require group planning or reservations by each attendee)*

2012 Sunshine Trips

Tony Abruzzo, Bob Brown and Rob Waldorf are leading trips to different destinations this year, collectively termed "Sunshine Trips" because these areas typically have nice weather. Some trips require permits and advance planning, so please read below, and consult the PWC Website calendar for more details.

DESTINATION: Bend area (Oregon)

DATE: Aug 6 to 12

LEADER: Bob Brown; 360-569-2878; or

Email: skipatrol10@hotmail.com

This is in the lake country south of Mt. Bachelor, north of Crater Lake. Lots of kayaking on inter-connecting, salmon-filled lakes, Newberry Crater National Monument.

DESTINATION: Pryor Mt. Wild Horse Refuge (Bridger, Montana) and Black Hills (Hill City, South Dakota)

DATE: Pryor - Sep 11 to 14; Black Hills - Sep 15 to 21

LEADER: Bob Brown; 360-569-2878; or

Email: skipatrol10@hotmail.com

Pryor Mountain is about 30 miles from Bridger, MT. At 9,000 feet elevation, the campsite is at an old homestead on a large, grassy plateau where several herds of wild horses roam freely. Camp and walk among them as they migrate across the pasture through the day. High clearance vehicles are highly recommended. The Bighorn, Beartooth, Absarokee, and Wind River Mountains frame the scene. If you have never visited the Black Hills in South Dakota, you have not experienced one of the most beautiful geologic anomalies in North America – a granite intrusion in the otherwise flat Great Plains, with many national parks and monuments, and Custer State Park with its buffalo. This trip will include riding the intricate network of improved bike trails. Drive across the Bighorn Mountains and/or the Bear Tooth Highway (above 10,000 feet), or visit Devils Tower, on this trip for an added experience.

Fall 2012 Grand Canyon Trip

Sep 15-30 (Tentative)

Contact: David Boyde at 360-692-9325, or
email: theboyde@aol.com

David is currently in the planning phase of a September trip to the Grand Canyon and Zion National Parks. Initial plan includes a day hike Rim to Rim via the North Kaibab and South Kaibab Trails, 22 miles (optional), and a 6-day, 5-night Grand Canyon trip. The Grand Canyon route will be the Royal Arch Route, which includes a 20-foot rappel, and the dates on the permit are September 20 through 25. There may also be a 2-day Zion Narrows Backpack Trip, which is 16 miles, mostly hiking in the Virgin River; a 2-day West Rim Backpack Trip, also 16 Miles, plus an optional side trip to the top of Angel's Landing; and a Huber Wash - Chinle Trail -

Outings

Coalpits Wash 12 mile loop day hike. This will be determined on July 5. There is only one opening left for this trip.

Trip to Nepal with Brian Steely

Starting approximately October 1, 2012

Contact: Brian Steely at 360-297-3825, or

email: brianandcris@centurytel.net

Brian will be returning to Nepal to an area he loves (Tilicho Lake) and going to an area he has not been (Dhaulagiri Base Camp). He is willing to take up to 10 people with him. This will be a totally catered affair and all you will have to carry is your day pack. It will be professionally guided and the camps will be set up for us and the cooking will be done for us. This is a visually stunning part of the world and one of those experiences of a lifetime.

Please note: This is not a commercial endeavor on Brian's part and Brian is only a person of contact. All participants will be making their own arrangements for flying to Nepal and back, and dealing with the Nepal agent. The agent, Dipak Dhamala, is a personal friend of Brian's, and has arranged his previous trips. For itinerary and details, contact Brian.

More details on the above trip(s) are available on the PWC Website calendar.

PWC

The Peninsula Wilderness Club is an informal organization for persons interested in active outdoor pursuits. Main activities include hiking, backpacking, mountain climbing, rock climbing, skiing, kayaking, and bicycle riding. All outings, from casual hikes to technical mountain sports, are initiated by individual members. These members are volunteers who generously offer to make minimal arrangements so an outing can take place. They do not accept responsibility for the safety or care of any participant. The PWC does not conduct instructional programs and members are expected to have whatever clothing, equipment, skills, and physical conditioning are appropriate for the outing they wish to join. Members are expected to practice responsible environmental stewardship and must accept that there are dangers and a risk of injury in most outdoor activities.
