September Presentation:
Africa Adventure
With photographers
Jerry and Mary Richards
Wednesday, September 4th at
7:00pm

Mary and Jerry Richards recently completed an extended exploration of Africa. The plan for their journey began as a visit to see their daughter, who is a Peace Corps volunteer in the West African country of Senegal. However, their itinerary grew to five weeks and included stops in countries in West, Central and South Africa. Highlights of their trip include: An extensive exploration of Senegal; hiking with Mountain Gorillas in Volcanoes National Park in Rwanda; a stop on the Zimbabwe side of Victoria Falls; and safari exploration of Kruger National Park in South Africa, Chobe National, the Okavango Delta and Kalahari Desert of Botswana. Mary and Jerry are amateur photographers who will provide a condensed review of the sights and experiences from their trip.

Notes & Announcements to Members:

- HELP WANTED:** *As of this writing, we lack a host for the September 20th potluck.* We rely on volunteers to host such events, as well as to manage the club business (officers, webmaster, calendar, newsletter, etc). Please consider helping – we'd like to get more people involved so that the "usual suspects" can have a break! Check the PWC Website calendar for updates on the potluck if we find a host.
- Thank you to Margaret Poshusta** for volunteering to help scan some of the PWC scrapbooks! We will post scrapbook content on line when we get a chance.

Outings

A Word About Outings

All PWC outings and other activities are open to anyone, but if you enjoy our company and what we do, we would like you to become a member. The persons sponsoring trips should not be considered instructors or leaders. If you are unsure of your abilities, discuss the trip thoroughly with the organizer. Each participant is responsible for his or her own comfort and safety on any outing. Always carry the 10 essentials.

Please Call Early

As a courtesy to the sponsor of an outing you are joining, please try to call at least two days in advance for single-day outings, and as soon as possible for overnight outings. This allows the sponsor time to make arrangements, or alternate plans, should a trip be canceled for some reason.

Pet Policy

Please leave pets at home when attending PWC outings unless the trip is specifically listed as welcoming them.

Carpool and Ride Sharing

We strongly encourage carpooling and ride sharing as a way to reduce impact to trailheads, minimize our environmental footprint, and reduce costs. Please be considerate to your drivers, including situations when you ride with different drivers in each direction. The amount you contribute to your driver(s) should reflect the distance driven, the cost of gas, and tolls/parking fees – short trips might be \$5 per person, long trips could be considerably more.

Our PWC Website calendar is at:

If you don't see something that interests you in this newsletter, check the website for additional trips and last-minute trips and updates. If you are a trip sponsor, have a new trip to list, or need to update an existing trip, please see the end of this newsletter for more information.

Overnight backpack (Sat/Sun) up the Bogachiel River to Flapjacks Camp. This is a 10.3-mile, 400 feet of gain, relatively flat hike to an alder meadow on the banks of the river. Will meet at the Hood Canal Bridge at 8 am for carpooling.

Bailey Range Traverse

Friday, Sep 13-17 at 7 am

Contact: Isaac Sun at 360-930-5300, or email: isaac@thesuns.net

Weather needs to be decent. I would like to backpack the Bailey Range in 5 days. I have not been to the area, but will learn about the area and lead the trip.

Here is my tentative plan (Estimated miles with elevation profiles not including the side trips).

Fri, Day 1 (Maintained trail): Leave Bremerton 8 am. Car shuttle at Whiskey Bend. Get backcountry permits. Backpack from Sol Duc through Deer Lake to a dry campsite at the end of maintained trail, west edge of the Cat Walk. About 14 miles with 4000 feet elevation gain.

Day 1 (Option that I prefer): From Sol Duc, hike through Appleton Pass. It will be 1-2 miles less. From Appleton Pass, it will be off trail. Stay south of Haigs Lake. Descend into the basin, traverse and ascend 0.5 miles WSW to Swimming Bear Lake. Go south of the lake and follow 0.5 miles to intercept the High Divide trail. About 12 miles with 3000-3500 feet elevation gain.

Outings

Sat, Day 2 (Off trail): To Ferry and Pulitzer Saddle. pass through Eleven Bull Basin, Cream Lake (west of Stephen Peak). About 8 miles with 3000-3500 feet gain and 1200 feet loss. Optional side trip to Mt. Carrie or Stephen Peak.

Sun, Day 3 (Off Trail): To Chicago Camp. Pass through Dodwell-Rixonn Pass and Queets Basin. About 12 miles with 3000-3500 feet gain and 4000 feet loss. Optional side trip to Mt. Ferry & Mt. Pulitzer.

Mon, Day 4 (maintained trail): To Elk Horn. About 15.5 miles with 1000 feet gain and 300 feet loss.

Tue, Day 5 (maintained trail): Hike out to Whiskey Bend. About 12 miles with 500 feet gain and 300 feet loss.

If interested, contact Isaac.

Backpack 1000 Acre Meadow

Saturday, Sep 14-20

Contact: Doug Savage at 360-981-9333, or email: thehiker@comcast.net

The 1000 Acre Meadow is one of the hidden gems of the Olympic National Park. It is one of the best and remote alpine areas in the heart of the Olympics. I tried four times over the last 15 years to find the old trail leading to the meadow, and finally found it in 2011 on a day hike up from Dose Meadows. This time I plan to hike to the meadow in two days (about 19 miles) and spend two days exploring the meadows. There is a number of peaks that can be climbed, including Sentinel Peak, Sentinel's Sister, Mt. Claywood, Mt. Fromme (at Hayden Pass) and Wellesley Peak in the basin. The trip will last six days and is about 40 miles roundtrip. No ice ax or ropes are required. Contact Doug Savage for further details.

Sunshine Trip - Black Hills South Dakota

Monday, Sep 16-20

Contact: Bob Brown at 360-569-2878, or email: skipatrol10@hotmail.com

Visit the Black Hills of South Dakota and ride the Mickelson Bike Trail (109 miles), which runs north to south through the heart of the Black Hills. We will be renting a house near Hill City and costs should be approximately \$40/\$50 per night per person (food & lodging).

The area has several parks, miles of hiking trails, and many rock climbing opportunities for rock climbers.

The George S. Mickelson Trail, in the heart of the beautiful Black Hills, was completed in September of 1998. Its gentle slopes and easy access allow people of all ages and abilities to enjoy the beauty of the Black Hills.

There are more than 100 converted railroad bridges and four rock tunnels along its length. Access is via 15 trailheads with parking, self-sale trail pass stations, vault toilets, and tables.

The trail surface is primarily crushed limestone and gravel. For Bike Trail Info:

Contact: We don't have a volunteer host for this month's potluck – please contact Shelley Fleming at 360-621-6167, or email: richelle.fleming@gmail.com if you can host!

Visit with fellow PWCers at one of our member's homes. Bring an entrée or side dish to share, and bring your own beverage (BYOB). The host will provide the dessert. PWC potlucks are a great way for new and old members to get to know each other, share stories and interests, and talk about upcoming trips.

Potlucks are hosted by volunteers. Please check the PWC Website calendar, which will be updated once this month's host is known. As of this newsletter writing, we are still looking for a host – if you can help, please contact Shelley.

Remember, this club is run by volunteers – we need your help!

Mt. Rainier Cabin Retreat

Friday, Sep 20-30

Contact: Kim Ragains at 360-550-0082

Join Kim Ragains and PWC and Mountaineer friends (and their guests) for her 14th annual Mount Rainier Retreat at a cabin near the Nisqually entrance to the park, east of Ashford. Daily hikes are 7 to 11 miles long, of medium difficulty, and may include Indian Henry's Hunting Ground, Paradise to Panorama Point, Van Trump Park/ Comet Falls, etc. Carpool riders share gas expenses. Most participants have been women in years past, but all are welcome.

Meals are "family style," made from food all have shared in bringing. Traditionally there is a Monday salmon dinner and a Tuesday turkey dinner; all other meals are provided by guests. You can come for all or part of the week. Lodging expenses are shared equally by the number in the cabin that night (usually \$35-\$65 per night).

We are staying in the large "Trillium I" cabin of Jasmerscabins.com. It sleeps 10 people, has 3 bathrooms, a jacuzzi-jetted large tub, sauna, indoor and outdoor fireplaces, and BBQ.

Expect comfortable warm weather this time of year, little rain, few hikers, off-peak rental rates, fall foliage colors and ripened huckleberries! For more info or to sign up, call Kim and leave a voice-mail.

Near Ashford and Mt. Rainier National Park.

2-Day Backpacking Trip – “The Koski Loop”

Saturday, Sep 28-29

Contact: Doug Savage at 360-981-9333, or
email: thehiker@comcast.net

This is one of my all-time favorite hikes. EVER! Hike the Tubal Cain Trail up to Tull Canyon and camp on the ridge overlooking the upper Big Quilcene River. High camp is dry, so bring a few extra empty containers to carry water from Tull City. Sunday we hike over Hawk Peak, down the way trail to Silver Lakes. We continue to Windy Pass, hike the trail to Mt. Townsend, and back to the cars. A great weekend trip, with 5000 feet of gain (over two days), and about 14 miles of hiking.

Invitation to join kayak tours near Mt. St. Helens

Bob Appling, from Cascade Pack & Paddle, has invited PWC members to join on guided kayak tours on Lake Merwin, Yale and Swift reservoirs, Silver Lake and Coldwater Lake, both north and south of Mount St. Helens. Those that have kayaks would be welcomed free, and those that might need kayaks could rent from them at \$25/kayak (they have 14 single and 2 tandem kayaks). They usually charge \$65/person for the tours, but would just like to connect with our group because of past fun times with PWC members who have traveled through their area. Please connect with Bob for more information and make sure to let him know you read about it in the PWC newsletter.

Recurring (Weekly) after-work Green Mountain Hike

Thursdays, 9/5, 9/12, 9/19 and 9/26 at 6:10 pm

Contact: Kitsap Hikers on Facebook
email: kitsaphikers@groups.facebook.com

Weekly after-work Green Mountain hikes will begin starting April 17th and continue throughout the summer and into fall. Be at the Gold Creek trailhead at 6:10 pm and be prepared to hike by 6:15. Bring headlamps on earlier spring and late fall hikes since it will be getting dark earlier at those times. We hike every week, rain or shine.

These hikes have been very popular and are a great opportunity to meet hikers of all abilities from the Peninsula Wilderness Club, Kitsap Outdoors Meetup and the Kitsap Hikers Group on Facebook. We have had as few as 3 and as many as 40 hikers on past events. All are welcome to attend and share a snack or two at the summit.

A good place to rideshare from is the parking area at the Wildcat Lake County Park (not to be confused with Wildcat Trailhead) as a park-n-ride. It's free to park there. A Discover Pass is required at the Gold Creek trailhead.

DOGS - There are no restrictions as far as the DNR is concerned with hiking with dogs at Green Mountain. We like to see you folks show up with your pets. We would, however, like to ask you to try to keep them away from the picnic table at the summit while we are sharing food with one another.

To see images from last year's hikes, see the club website. The PWC website also has a detailed description of the Gold

Outings

Creek Trail, including driving directions to the trailhead in their Field Guide.

The PWC sponsor for the Green Mountain Weekly hikes this year is Jay Thompson. He will try to make it to every hike, but please be prepared in the event that he cannot make it (these trips are typically not cancelled even if Jay cannot make it). For current details on each hike, please visit the Kitsap Hikers Facebook Page (you'll have to request access if you're not already a member). This is also a good place to locate carpools and other information.

If your question hasn't been answered above, please look at the PWC Website calendar for more info, go to the Kitsap Hikers Facebook Page and post your question there, or as a last resort, send Jay an email. jaythom1@hotmail.com

Bend, Oregon is an outdoor-lover's paradise. Another of the "Sunshine Trip" series held every year, this trip did not disappoint! We base-camped at Lava Lake campground and day tripped from there. Highlights included kayaking on Hosmer and Sparks Lakes, hiking up the Green Lakes trail and around the lake, and a kayak float tripped down the Deschutes River. This covers only a few of our adventures. The weather was great (most of the time), and the scenery spectacular! We also shared some time and stories with Chris

Craig and Brian Steely, who recently moved to Bend. New this year – propane fueled campfires! OK, so it's not "woody", but you don't have the smoke!

PWC General Meeting

The PWC General Meeting is held the first Wednesday of each month, 7 pm, at the VFW Hall at 9981 Central Valley Road in Bremerton, WA.

If you are a guest or new member, please introduce yourself and ask for help, or look for someone with a "PWC Host" name tag – the host can answer questions and point out members that share your interests. However, to really get to know us – come to a potluck or go on a hike – meetings are not the best way to get to know us. The September meeting host will be Greg Myrick.

Thanks to everyone who brings snacks to meetings! Contact Doug Savage at 360-981-9333 or thehiker@comcast.net if you would like to help bring snacks to the next meeting.

Sponsor an Outing!

If you are a club member and interested in leading an outing, let us know about it so we can post it! Even if you list your trip in other forums, including it as a PWC event helps connect people and groups, and helps the club stay active. To sponsor an outing, come to a MAP meeting to discuss your trip! You can also fill out the form on our website, email or call the info directly to the Webmaster, Jay Thompson, at pwcadmin@pwckitsap.org or 360-307-0037; or you can email or call our Calendarmeister, Paul Dutky, at pdutky@gmail.com or 360-479-2683. Any of these options will get your outing listed on the PWC Website calendar.

We Need Your House!

Each month the club's MAP meeting and potluck dinner need volunteer hosts willing to share their home for an evening. If you can handle a small home invasion, please contact the club secretary, Megan Thompson, at 360-871-6014.

Your Trip Photos Wanted!

Do you have some great PWC trip pictures? Each month we need your photos to share during the PWC General Meeting slide show and in the Penwicle. Contact Paul Dutky (pdutky@gmail.com), the PWC Dropbox manager, to find out how to send us your pictures – it's easy, and helps us a lot!

We also need photos for the club scrapbook – please include your name and details of the trip (people & places) and email to Sue Dearman at dearmans@comcast.net.

The Peninsula Wilderness Club is an informal organization for people interested in active outdoor pursuits. Main activities include hiking, backpacking, mountain climbing, rock climbing, skiing, kayaking, and bicycle riding. All outings, from casual hikes to technical mountain sports, are initiated by individual members who volunteer to make minimal arrangements so an outing can take place. They do not accept responsibility for the safety, training or care of any participant, and members are expected to have whatever clothing, equipment, skills, and physical conditioning are appropriate for the outing they wish to join. Members are expected to practice responsible environmental stewardship and must accept that there are dangers and a risk of injury in most outdoor activities.
